

Ham, Turkey and Brie Panini

Ingredients:

Most foodies love to travel and experience a place through its cuisine. On my recent trip to Dallas with Josh for the Remodelers Advantage Technology Summit, I ate a ham and brie panini so delicious, I had to come home and try to re-create it. Here's what I came up with. Hope you enjoy it as much as I did!

Ingredients:

- Your favorite sliced bread for a panini
- Sliced Black Forest or Tavern ham
- Mesquite smoked turkey breast sliced
- Thinly sliced Granny Smith apple
- Sliced and peeled Brie cheese
- Thinly sliced red onion
- Butter
- Garlic Salt

Optional: Stone ground mustard, apricot preserves, or cranberry chutney

Spread one of the optional spreads on the bread, layer the apples, meats, cheese and red onion. Top with other slice of bread, spread butter on both sides, and sprinkle some garlic salt on one side. Grill or put in panini maker.
